Version 10

Documents you will receive from us Financial Services Guide

This Financial Services Guide (FSG) is designed to clarify who we are and what we do, and help you decide whether to use our services.

To make things simple, this guide explains:
the services and types of products we're able to offer you
how we and our associates are paid and any other benefits we may receive
any potential conflicts of interest we may have
how we protect your privacy and handle your personal information
how we resolve disputes, and what you should do if you have one.

Please read through the whole FSG, as it's full of useful information – and is also worth holding on to for future reference. And of course, if you ever have any questions, please contact us.

Other documents you may receive

In addition to this FSG, when we provide you financial advice we will also present you with a written Statement of Advice (SOA).

This will describe the strategies, products and services we recommend and outline any fees or commissions we will receive and any associations we have with financial product providers or other parties that have not already been disclosed in this FSG.

If you receive further financial advice from us, we will present you with either another SOA or keep our own written Record of Advice (ROA). You can request a copy of this by contacting us any time up to seven years from the date of the advice provided. Please refer to the "Contact us" section of this FSG for our contact details.

We will also provide you with a Product Disclosure Statement (PDS) or offer document for all financial products we recommend, where applicable. This will outline the product in detail to help you make an informed decision about whether it is right for you.

Giving us instructions

If you want to make changes to your financial plan or provide other instructions, please contact us. Please refer to the "Contact us" section of this FSG for our contact details.

Generally, you will need to give us instructions in writing (eg fax, email or letter) or another method agreed with us.

About us

About Team Financial Advisers

Team Financial Advisers is a boutique financial services practice providing advice to a wide range of individuals and families. As well as our core offering to professionals we also have a specialist service that provides expert advice to medical professionals and their families.

Team Financial Advisers was established by Lincoln's father, Frank Johnson, in the early 1970s and since the 1980s has operated throughout the Central West based in Orange. Advice has been provided to Sydneysiders since 1990.

In 2007 Lincoln Johnson took charge of the Sydney business and now operates from an office in Petersham in the heart of Sydney's Inner West. Frank retired from practice in early 2012 but still maintains friendships with many of his closest clients.

Team Financial Advisers are proud of the lifelong relationships they build with clients. Testament to this are the children of some of Frank's original clients the Lincoln now advises. These 'children' are now adults with their own families and financial goals. This type of relationship is built on trust and respect, values that are core to our business.

How you can pay for our services

You can pay for the services you receive on a fee for advice basis. This allows you to know that you are paying for our advice irrespective of any product you use, clarifies the services you are entitled to, and ensures all recommendations are driven by your needs.

We will agree with you the amount you pay based upon:

- a flat dollar fee;
- an hourly rate;
- the amount you invest; or
- a combination of the above.

You can pay in the following ways:

- as a fee for advice that will be deducted from your investments as a one-off payment or in instalments;
- by direct invoice from us for initial and ongoing advice;
- via commission we may receive from a financial product provider when you commence an insurance contract; or
- a combination of the above.

If you are not already on a fee for advice package, you can move to this payment at any time.

Other payments we may receive

We will provide you with details of all fees, commissions or other benefits we may receive when we provide advice to you and, where possible, will give actual dollar amounts. If we cannot provide this accurately, we will provide worked-dollar examples.

Even if you don't receive personal financial advice from us, you can still request the details of any fees, commissions or other benefits we receive in relation to any other financial service we provide you.

Benefits we may receive

Sometimes in the process of providing advice, we may receive benefits from product providers.

Conferences

We may attend conferences and professional development seminars that have a genuine education or training purpose. Apogee Financial Planning or our employer, may pay for the costs of our travel and accommodation, and events and functions held in conjunction with the conference or seminar.

Non-monetary benefits

We keep a register detailing certain non-monetary benefits that we receive e.g. benefits valued between \$100 and

\$300, and those that relate to genuine education or training and technology software or support.

You can view an extract of the register by contacting us. Please be aware that Apogee Financial Planning may charge you for the cost of providing this information to you.

Commissions received by our Licensee from product providers

Apogee Financial Planning has ongoing commission arrangements with a number of risk insurance providers. Where you acquire a risk insurance policy issued by AIA, Zurich, Colonial First State One Path and Macquarie the insurer may pay Apogee Financial Planning a commission payment which based on total in-force premium and lapse rates for risk insurance policies recommended by all advisers within Apogee Financial Planning adviser network. The payments received by Apogee Financial Planning may be up to 2% of the premium amounts paid by policy holders to the relevant insurer. As this amount is calculated in the future, we cannot provide an exact amount at this time; however, as an example, if as a result of services provided to you by Apogee Financial Planning, a participating insurance provider receives \$5,000 in premium, then Apogee Financial Planning will receive up to \$100 as a commission (2% of the premiums held).

The above payments are not shared with your adviser. These payments do not represent an additional charge to you and your adviser will disclose in your Statement of Advice insurance products for which these arrangements may apply.

Distribution Allowance

MLC Limited pays a distribution allowance to National Wealth Management Services Limited, a related body corporate of NAB, in respect of the distribution of MLC Limited's insurance products by licensees in the NAB Group (including NAB). This amount is not ascertainable at this time and will depend in part on the value of MLC Limited's insurance portfolio relating to insurance distributed through NAB and its related bodies corporate and the performance of NAB and its related bodies corporate against agreed annual performance criteria.

This allowance is not shared with your adviser and does not represent an additional charge to you.

Referrals

If you have been referred to us or we refer you to someone else, we may have arrangements in place to or receive a referral fee, commission, or other benefit.

Details of any arrangement will be provided in our advice to you.
